(Alena): Eh, that's my friend who's been trapped by work.

(Yuri): Help!

(Alena): Wait a minute for me! Oh, the work is full. I can't continue diving. What do I do?

(Alena): No, my dear friend. I'd like to exchange my vacation for a return to work.

(Alena): Ah's Ultimate has done.

(Yuri): Help!

(Yuri): Hurry up buddy.

(Alena): Wait for me.

(Alena): I'm here, friend. Oh no, what a crazy job.

(Yuri): help me out but wait. What about your holidays?

(Alena): It doesn't matter I have to save you from this hell job. Why is there so much work?..... Ah, one job has been completed, yay.

(Alena): Oh no, the rest of the work is holding me back..... Yuri please helps.

(Yuri): Take my hand, Alena. I got you.

(Alena): Woohoo, we're alive, dear friend. Let's go on vacation.

(Alena): This is our last vacation.

(Yuri): Teacher, we have finished for your work right now.

(Wise Fish): It's done! come to me

(Wise Fish): Well...Well.

(Wise Fish): What's the matter that came to me today?

(Alena): We want to rest.

(Wise Fish): How about the last 7 days, isn't that enough?

(Alena): I had a few days off. I must come back to work on other subjects. It so tired.

(Wise Fish): Is it that much? You guys are so pathetic.

(Wise Fish): Then follow me.

(Wise Fish): I would like to unlock more holidays for my students.
